

Personal Details

Name: Adrien Oth
Date of Birth: 20/07/1980
Place of Birth: Luxembourg
E-mail: adrien.oth@web.de
Nationality: Luxembourgish

Education

1999-2005 Karlsruhe University, Karlsruhe:
02/10/2005: “Diplom” in Geophysics
10/12/2001: “Vordiplom” in Geophysics

1994-1999 Athénée de Luxembourg (secondary school), Luxembourg:
07/08/1999: “Diplôme de Fin d’Études Secondaires”

1992-1994 Lycée Robert Schuman (secondary school), Luxembourg

Work History

05/2005 – present PhD student at the Geophysical Institute of Karlsruhe University
02/2005 – 04/2005 scientific assistant at the Geophysical Institute of Karlsruhe University
08/2002 – 06/2003 student assistant at the Geophysical Institute of Karlsruhe University
08/2001 student assistant on a refraction seismics survey in Romania

Publications

Oth, A., F. Wenzel and M. Radulian. *Source Parameters of Intermediate-Depth Vrancea (Romania) Earthquakes from Empirical Green’s Functions Modeling*. submitted to Tectonophysics, 2006.

Gottschämmer, E., **A. Oth**, J. Miksat and F. Wenzel. *Hybrid Modelling of Ground Motion*. in: Proceedings of the 1st ECEES, Geneva, Paper Number 759, 2006.

Oth, A., F. Wenzel, H. Wust-Bloch, E. Gottschämmer and Z. Ben-Avraham. *Parametrization of a Composite Attenuation Relation for the Dead Sea Area Based on 3D Modeling of Elastic Wave Propagation*. in press (Pure Appl. Geophys.), 2006.
